- 11:55-12:00 am** Discussion
- 12:00 pm** Adjourn

NEOS 2007 FALL MEETING

This program is designed to offer a broad based update on traditional as well as new ideas and techniques in the field of orthopedic surgery.

It is directed toward practicing orthopedic surgeons, orthopedic residents and fellows, and allied health professionals.

Objectives

At the completion of this conference the participants will be able to:

- Determine the appropriate management of hip disorders and to review the orthopedic challenges or treating hip disorders in the young adult.
- Summarize new approaches to the treatment of wrist pathology, including the treatment of wrist fractures and the treatment of athletic injuries to the hand and wrist.
- Review the nonsurgical and surgical treatment of both common and complex fractures.

CME Credit/Accreditation

This activity has been planned and implemented in accordance with the Essential Areas and policies of the Accreditation Council for Continuing Medical Education through the joint sponsorship of Lahey Clinic and the New England Orthopedic Society. The Lahey Clinic is accredited by the ACCME to provide continuing medical education for physicians.

The Lahey Clinic designates this educational activity for a maximum of 12.00 *AMA PRA Category 1 Credits™*. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Questions?

For questions about this program or future NEOS events, please contact Amy R. Ruzsa at 781.434.7314 or aruzsa@mms.org.
