## NEOS 2011 FALL MEETING

This program is designed to offer a broad based update on traditional techniques as well as new ideas and in the field of orthopedic surgery.

It is directed toward practicing orthopedic surgeons, orthopedic residents and fellows, and allied health professionals.

### Objectives

At the completion of this conference the participants will be able to:

- Identify the major issues that the Federal Health Care Reform Act will have on orthopedic surgeons.
- Recognize what the health care reform has proposed and enacted at the state and federal level.
- Define practice management issues including accountable care organizations, coding, and revenue management.
- Review the treatment options for arthritis and ligament injuries of the knee.
- Update the current knowledge regarding stem cells and skeletal repair.
- Assess the impact of lumbar spine surgery.

### CME Credit/Accreditation

The New England Orthopaedic Society designates this live activity for a maximum of 11.00 *AMA PRA Category 1 Credits*<sup>™</sup>. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

1.25 credits meet the criteria of the Massachusetts Board of Registration in Medicine's for risk management study.

The New England Orthopaedic Society is accredited by the Massachusetts Medical Society to provide continuing medical education for physicians.

### Questions
