NEOS 2012 FALL MEETING

This program is designed to offer a broad based update on traditional techniques as well as new ideas and in the field of orthopedic surgery.

It is directed toward practicing orthopedic surgeons, orthopedic residents and fellows, and allied health professionals.

Objectives

At the completion of this conference the participants will be able to:

- Understand the evaluation and treatment for proximal humerus fractures
- Define the arthroplasty options for shoulder pathology
- Analyze the impact and implications of the PPACA on health care organizations
- Describe current trends in pediatric fracture care
- Summarize the treatment options for cervical spine trauma

CME Credit/Accreditation

The New England Orthopaedic Society designates this live activity for a maximum of **10.75 AMA PRA Category 1 Credits™**. Physicians should claim only credit commensurate with the extent of their participation in the activity.

1 credit meets the criteria of the Massachusetts Board of Registration in Medicine's for risk management study.

The New England Orthopaedic Society is accredited by the Massachusetts Medical Society to provide continuing medical education for physicians.
