11:35 am *The Infectious Disease Perspective of Orthopaedic Implant-Related Infections*
Daniel McQuillen, MD
Burlington, MA

12:00 pm Questions

12:05 pm Program Adjournment

Program Overview & Target Audience

This program is designed to offer a broad based update on traditional techniques as well as new ideas in the field of orthopedic surgery.

It is directed toward practicing orthopedic surgeons, orthopedic residents and fellows, and allied health professionals.

Program Objectives

At the completion of this conference participants will be able to:

1. Identify the changes in orthopaedic workflow necessary for successful adaptation of practice process flow and appropriate clinical documentation and recognize the practical steps to take in order to minimize financial, operational and compliance risk;
2. Define new strategies for increasing efficiencies and lowering the cost of total joint arthroplasty in order to perform a more standardized, high-value procedure;
3. Assess the current clinical and laboratory methods available to accurately diagnose periprosthetic infections in a timely fashion;
4. Determine when it is safe to reconstruct an adolescent ACL deficient knee and what technique is best used based on existing literature; and
5. Apply clinical pathways to safely manage elderly hip fracture patients in a multidisciplinary manner in order to improve outcomes.

CME / Accreditation Statement

The New England Orthopedic Society designates this live activity for a maximum of 12.75 *AMA PRA Category 1 Credits*[™]. Physicians should claim only credit commensurate with the extent of their participation in the activity.

The New England Orthopedic Society is accredited by the Massachusetts Medical Society to provide continuing medical education for physicians.

Questions / NEOS Information

For questions about this program, future NEOS events or NEOS membership, please contact:

NEW ENGLAND ORTHOPEDIC SOCIETY 2014 SPRING MEETING

**Friday – Sunday
June 6 – 8, 2014**

**Jay Peak Resort
830 Jay Peak Rd.
Jay, Vermont 05859**

GUEST PROFESSORS

Peter C. Ferguson MD, FRCS

Program Director and Interim Chair,
Division of Orthopaedic Surgery
Associate Professor of Surgery,
University of Toronto
Department of Surgery, Mount Sinai Hospital
Sarcoma Site Group Leader,
Princess Margaret Hospital
Toronto, ON, Canada

Charles L. Getz, MD

Rothman Institute Shoulder & Elbow Surgery
Associate Professor
Department of Orthopaedic Surgery
Thomas Jefferson Medical School
Philadelphia, PA

Stephen Lemos, MD, PhD

President/Chair, Detroit Medical Center
Sports Medicine
Chief, DMC Surgery Hospital
Program Director, DMC Sports Medicine Fellowship
Program Director, DMC Orthopaedic
Surgery Residency
Team Physician, Detroit Tigers, Detroit Pistons

Bassam Masri, MD, FRCS

Head, Department of Orthopaedics
Surgeon-in-Chief, Vancouver General Hospital
and UBC Hospitals
The University of British Columbia,
Vancouver, BC, Canada

Samir Mehta, MD

Director, Orthopaedic Trauma
Assistant Professor & Chairman
Department of Orthopaedic Surgery
University of Pennsylvania
Philadelphia, PA
